PRESS RELEASE

RaVeN Info Day: Part 2

Join us for the second edition of the RaVeN Info Day webinar, designed for those seeking to advance their careers in mining engineering and sustainability! The study programme provides practical knowledge on sustainable raw material exploitation across the value chain, covering sourcing, processing, use, recycling, and sourcing again.

We invite you to meet RaVeN representatives to explore the curriculum, research opportunities, facilities, campus life and more.

Ask your questions and immerse yourself in the programme's culture and community.
